

## CORPORATE RESTRUCTURING & INSOLVENCY

### GRADUATE POSITIONS AVAILABLE FOR 2010 START

#### Positions Available

Taylor Woodings have Graduate Accountant positions available in their Sydney office commencing in January/February 2010.

#### What We Offer

We offer a rewarding and interesting career at a growing national firm with a results based culture. During your first year, you will be directly exposed to contemporary insolvency issues as well as issues directly applicable to the successful management of Companies. Your initial responsibilities will include:

- Generating financial reports and statements
- Analysing the financial performance of Companies
- Managing cash flows for businesses in Receivership
- Investigating Company books and records and asset recovery
- Drafting correspondence and liaising with external stakeholders

We offer a competitive salary, structured training, mentoring and a friendly social work environment.

#### Who We Are Looking For

We are looking for solid academic grades in a Commerce or related degree, preferably majoring in Accounting, excellent written and oral communication skills, attention to detail, an ability to work as part of a team, an interest in business issues and a commitment to commence the CA program later this year.

#### Interested?

If you are interested in applying please send your resume by email to Trudy Ritchie at [recruitment@twcs.com.au](mailto:recruitment@twcs.com.au). Closing date for applications is 9 November 2009 however we will be interviewing suitable applicants prior to the closing date.

#### About Us

Taylor Woodings is a national insolvency firm specialising in restructuring and insolvency assignments across Australia. We handle interesting and challenging matters for clients ranging from ASX listed companies to SME's.
