

## **GET INVOLVED!**

Action towards social and climate change isn't just the responsibility of the Government and special interest groups. The Sydney University SIFE team is celebrating its relaunch by developing an exciting portfolio of projects for 2009-2010 to include environment, financial literacy, hunger and social awareness projects. We will be working on this portfolio through Summer as well as Semester 1, 2010 in preparation for the SIFE Australia National Conference held in Melbourne July 2010!

### **ABOUT SIFE**

SIFE is an independent, student-led global organisation with programs in 41 countries. SIFE teams seek to apply skills developed in University in multi-disciplinary community projects to give back to the community. It is a great opportunity to:

- \* Get involved in a student organisation and develop important skills required for career interviews
- \* Gain practical application of university skills
- \* Develop additional skills including leadership, community involvement, presentation, event planning and learning from students from other faculties
- \* Work on projects that will be showcased to Sydney, Australian and Global communities
- \* Work with Business advisors, SIFE Donor companies and local businesses

### **SIFE Competitions**

Participate in competitions including

- \*SIFE Australia National Conference on 8-10 July, Melbourne
- \* HSCB Financial Literacy Programme Competition
- \* SIFE Let's Can Hunger Challenge, run by SIFE and Campbell's

### **Recruiting from all faculties!**

We are interested in recruiting from ALL faculties (including business, arts, law, science, IT, design) to develop large-scale multi-disciplinary projects working with SIFE team members, collaborating with other student-organisations and working with local businesses! Get involved in a range of SIFE projects or sign up to be part of a specific SIFE team. Activities may include

- \* Website design and administration
- \* Photography
- \* Producing video clips
- \* Community gardening
- \* Event Planning

- \* Researching legal issues
- \* Developing environmental initiatives
- \* Teaching financial literacy skills
- \* Advertising Campaigns including Print and Online media

### **Executive, Team Leader and Project Leader Positions**

Executive, team leader and project leader positions are also still available, however all applicants for leadership positions must be available during the Summer vacation. Students with less availability during the Summer are invited to join as members as we will have activities planned for November 2009 to July 2010.

Available positions:

- \* Event Organiser
- \* 2nd Marketing and Media Executive
- \* Photographer
- \* IT Executive
- \* Video Producer
- \* Environmental/Climate Change Officer (must be available to attend ACTIVATE Conference on Sat 17 Oct from 8.30am - 5pm run by the Nature Conservation Council of NSW)
