

PwC Trainee Program Assurance

Eligible Student: Students in their first year of study, studying a business or commerce degree. The program is open to Australian citizens and permanent residents.

As a trainee, at the completion of your first year at university you will join the firm and work full-time whilst studying a Business or Commerce degree majoring in accounting part-time for 2 years. You'll then attend university full-time for the final year to complete your degree

Year 1	Study full time
Year 2	Work full time and study part time
Year 3	Work full time and study part time
Year 4	Study full time with potential holiday work
Year 5	Join PwC as an experienced Graduate

Subject to satisfactory performance whilst at the firm and strong academics, you will be eligible for financial assistance in the form of the Trainee Grant. This will be paid during the years of full-time study. The Trainee Grant helps to cover the costs of your study and alleviate the need for a part-time job. Terms and conditions are applicable to the elective receipt of this grant. At the completion of the Trainee program and your degree you may be offered a full-time graduate position with the firm.

By applying on-line, you'll be taking the first step towards a rewarding career at PwC. Before submitting your application, make sure you've read all about the different practice areas we are recruiting into. That way, you will be well informed about the opportunities available

Application Process: Apply online at www.pwc.com/au/careers
